

POWERWAVE 100

PORTABLE 100W PA SYSTEM FOR SCHOOLS

Just £995.00 !!

- 2 WIRELESS MICROPHONES
- CD/MP3 PLAYER
- 100 WATTS POWER
- MAINS OR BATTERY OPERATION
- EVERYTHING INCLUDED
- TROLLEY MOUNTED WITH RETRACTABLE HANDLE

Reach a large audience with this portable 2-channel all-in-one PA powerhouse. With built-in speakers, amplifier, CD/MP3 player, wireless receivers, mains/battery operation, rugged castors and retractable trolley handle you can use this unit anywhere, inside or out.

Two lightweight handheld wireless microphones give you a self-contained PA that can be used anywhere. The built-in CD/MP3 player means the PowerWave 100 is also a mobile disco for dance, exercise, celebrations, etc. The system is easy to use with instant switch-on and 4-6 hour operation from the built-in batteries.

All this comes included in the price to get you up and running instantly:
2 microphones, 2 wireless receivers, CD/MP3 player, 100W amplifier, feedback suppression module, echo/reverb effects module, bass & treble speakers, built-in battery, drop-in microphone charger, mains lead, protective cover, full instructions.

AMAZING LOW PRICE: JUST £995.00 plus £6.99 P&P and VAT
